

ButterflyMX

BY THE NUMBERS

Since launching in 2015, ButterflyMX has transformed building entry for developers, property managers, and tenants - from eliminating building wiring and in-unit hardware to property management integrations and virtual keys for service providers - here are just a few of our milestones.

Video calls made to tenants through our intercom:

5,021,931

Building entries granted by our intercom:

7,660,808

Apartments in our portfolio:

266,498

Buildings we are installed in:

2,547

Number of intercoms installed in those buildings:

3,201

Virtual keys sent to service providers (e.g. house cleaners and dog walkers)

387,291

hello

hi

Messages left for unavailable tenants:

243,694

Package deliveries our intercom has facilitated:

183,029

We're in all 50 states!

NUMBER OF BUILDINGS WE'RE INSTALLED IN:

● >100 ● 10-100 ● <10

More about ButterflyMX

ButterflyMX, the maker of the smart intercom, has developed the most secure and convenient building entry platform that tethers cloud-based software to intuitive touchscreen hardware. Our mission is to connect the wide variety of software-enabled services to tenants inside a building. To date, ButterflyMX has facilitated over seven million door release transactions and is installed in more than 2,500 properties around the world. ButterflyMX has been adopted in buildings developed by the following companies: Trammell Crow Residential, Bozzuto, AvalonBay Communities, Douglaston Development, Roseland Residential Trust, Equity Residential, Silverstein Properties, Skanska, Rechler Equity Partners, Jamestown, Laramar, Lennar, PeakCampus, CA Student Living, American Campus Communities, Haven Campus Communities and Mill Creek Residential. The company is headquartered in New York City. For more information, visit butterflymx.com.
