

Open doors with just a tap

With resident key in Apple Wallet, your residents, tenants, and staff can open their ButterflyMX-enabled doors and gates with just a tap, eliminating the need to dig for keys or open an app.

HOW IT WORKS:

1 Enable resident key in Apple Wallet at your property:
[Contact your sales rep](#) to activate resident key in apple Wallet at your property.

2 Residents add their key:
Through the ButterflyMX mobile app, residents easily can add a key to their Apple Wallet.

3 One key, total control:
Residents only need one key to open any ButterflyMX-enabled door or gate.

4 Tap to unlock:
Residents simply hold their iPhone or Apple Watch near the ButterflyMX reader to unlock the door or gate.

BOOST RESIDENT AND TENANT SATISFACTION

With resident key in Apple Wallet, you're offering a modern, frictionless way to access your property, making your residents and tenants' lives easier and enhancing their overall property access experience.

SIMPLIFY OPERATIONS & REDUCE HASSLE

Keys, cards, and fobs are easily lost, requiring you to manage lockouts, get new keys made, and change access permissions. With resident key in Apple Wallet, you'll eliminate administrative burden while streamlining property access.

RESIDENT KEY SECURITY, BUILT INTO IPHONE

Resident key in Apple Wallet comes with the privacy and security features built into iPhone and Apple Watch, meaning your resident data stays secure.
