

Delivery Pass

A simple and secure way to ensure successful deliveries and prevent package theft at your building

Delivery pass allows your residents to easily create a single-use, six-digit code so carriers can access your building.

THREE EASY STEPS FOR YOUR RESIDENTS:

Open the ButterflyMX app

Click 'New Delivery Pass'

Copy and paste the automatically generated code into the e-commerce provider's "delivery instructions" box at check-out

FIND US IN ALL 50 STATES!

We're installed in more than 5,000 properties nationwide including those developed, owned, and managed by:

ELIMINATES PACKAGE THEFT

With a one-time six-digit code for property access, delivery carriers will never have to leave a package outside your building again.

SECURE

The intercom takes a time- and date-stamped photo every time a delivery pass is used to gain access to the building. At any time, you can turn off Delivery Pass for the entire building.

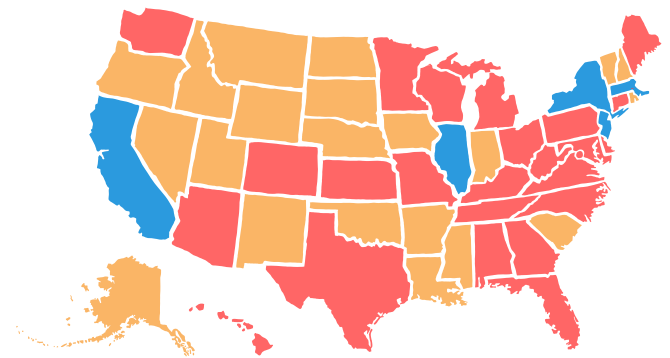

INCREASED NOI

Let your property staff focus on resident satisfaction instead of providing building access to delivery carriers.

MORE ABOUT BUTTERFLYMX

ButterflyMX is your complete property access solution, providing a secure, convenient, and affordable way to manage and grant access on the go. Empower your tenants and building staff to open doors, gates, and elevators with a smartphone and ensure they never miss a visitor or delivery. Enjoy easy installation and cut costs by eliminating building wiring and in-unit hardware, and save time by integrating with popular access control and property management systems. Join the 5,000+ multifamily, commercial, gated community, and student housing properties that have made access simple with ButterflyMX.
