

Salto KS Integration

The Salto KS and ButterflyMX integration allows residents to unlock Salto KS smart locks from the home screen of their ButterflyMX mobile app.

Once this integration is enabled at a building with both ButterflyMX and Salto KS, residents simply log into their Salto KS account within the ButterflyMX mobile app to unlock a Salto KS smart lock.

4 EASY STEPS FOR BUILDING AND UNIT ACCESS:

1. Open the ButterflyMX app and 'swipe-to-open' to enter the building
2. At the door unit, tap 'Salto KS Mobile Key' on the ButterflyMX app home screen
3. Hold the mobile key next to the Salto KS lock
4. Wait for the green light and open the door

OPEN DOORS USING A SMARTPHONE

Residents can open both the front door of their building and their apartment unit door right from the ButterflyMX mobile app.

CONVENIENT

The Salto KS Mobile Key within the ButterflyMX app will open the door for any additional Salto KS locks that the resident has access to (such as a common area).

EASY TO SET UP

Residents simply have to log into their Salto KS account within the ButterflyMX app using their account credentials.

To set up this integration, contact our support team by calling (571) 480-6579 ext. 2

MORE ABOUT BUTTERFLYMX

ButterflyMX is your complete property access solution, providing a secure, convenient, and affordable way to manage and grant access on the go. Empower your tenants and building staff to open doors, gates, and elevators with a smartphone and ensure they never miss a visitor or delivery. Enjoy easy installation and cut costs by eliminating building wiring and in-unit hardware, and save time by integrating with popular access control and property management systems. Join the 6,500+ multifamily, commercial, gated community, and student housing properties that have made access simple with ButterflyMX.
